**The Rainy River Public Library
welcomes your support and
patronage. Every contribution makes
a difference!**

There are many ways you can help:

👉 Make a financial contribution of \$100, \$50, \$25, \$10... every cent you give supports library programs and services.

**To meet basic needs, our fundraising
goal for 2017 is
\$8,800.**

**Remember: the Library offers
charitable receipts for donations
over \$10. Make your cheque payable
to the Library. Your receipt will be
mailed to you by the town office.**

👉 Contribute new or gently-used books, magazines, DVDs or CDs to the library. Let us know if we could add a donation plate to acknowledge your gift. If we can't use your donation in the library collection, we will add it to our annual fundraising book sale.

👉 Use the library! Every item you borrow is counted by the Ministry of Culture.

👉 Take in a library program. We offer storytimes for children, as well as occasional adult programs. Give the gift of ideas and play to your family.

👉 Talk about the library with your friends, neighbors and co-workers.

👉 Volunteer your time. Ask Michael for an application.

**The Library has a wish list for
2017! We would welcome
donations of any of the
following:**

- 👉 padded mailing envelopes
- 👉 clear CD jewel cases
- 👉 plain black DVD cases
- 👉 craft supplies
- 👉 new or gently-used DVDs for adults or children
- 👉 new or gently-used books, especially Westerns
- 👉 local history or genealogy books from NW Ontario
- 👉 and, you can adopt a magazine!

**How to Adopt-a-Magazine @
The Rainy River Public Library**

Do you enjoy the Library's wide selection of magazines? Do you want to ensure that your favourites are always available? Join the Library's Adopt-a-Magazine program!

"Adopt" your favourite magazine by donating the cost of its annual subscription, and share your good taste with other library users. Each "adopted" magazine can be labelled with the name of the donor. What an effective way to advertise your business, honour that "hard-to-buy-for" person on your gift list, or simply show your support!

DID YOU KNOW...

Provincial grants for library service have been frozen since 1997. That's 20 years. With inflation, everything is now 40% more expensive than it was then!
